

LEARN

Throw the dice and imagine the life of someone living in the scenario your team created.

1. You were badly affected by this scenario, describe why.
2. This scenario affects you but you are still functioning in society.
3. You are an 18-year-old person living in this scenario, what is radically different in your life compared to today.
4. You became an activist fighting for...
5. You benefit a lot from this scenario, describe why.
6. You are a youth worker, describe what your work day looks like.
